We at City Global School empower young minds using technology and introduce the students to the changes in the world of Education with "World's No.1 Smart Boards + India's No.1 Digital Classroom"

City Global School is working modal of dynamic approach to teaching and learning. Excellence is fostered in a stimulating and supportive environment. Pupils learn, enrich and extend their knowledge by engaging in group work, project and presentation.

Kindergarten

Learning is informal and done through Play way method. The school has a separate section for tiny tots with latest teaching aids and educational toys. A separate play area for kindergarten section enhancing their Cognitive and Motor skills

Class 1st onwards

The formal education system based on C.B.S.E guidelines from C.B.S.E with N.C.E.R.T prescribed curriculum is followed. Art, Craft, Music, Dance, Computers, Yoga and Sports and skill development are added for full personality development. Third language is introduced from class I as per requirement of the 3rd language-formula, following the Central Government Education Policy.

The school has MANDATORY SPORTS RULE with a program of good network of games and related activities. A carefully planned system comprising of indoor and outdoor sports activities is

followed. Students are trained to actively participate in competitions.

The best and fastest mind development takes place between the age of 4 to 14 years. So ABACUS is a part of curriculum in CGS. It is considered to be one of the fastest ways of calculating and learning Mathematics. It increases endurance for stress & pressure also improves problem - solving abilities.

A plethora of curricular & co-curricular activities

Aiming to train the students to become useful citizen of their motherland. City Global School is providing the global exposure and world class learning to its students. Dance to promote beauty and power of our culture, Quizzing club quench their thirst for knowledge. Personality development, Reader's club, Young speaker's club, Art-n-Craft Clubs add on to personality of each child. Theater club cater to verbal dynamics, creative movement, dance, drama and language development. Regular inter house competitions are organized to develop a healthy spirit of competition.

Educators

Imparting education is not a mundane process that is restricted solely to the use of chalk and blackboard. At City Global School teachers are not programmed to simply pass on knowledge and facts to the students. Our teachers teach them to logically think and reason, ask question, discover, develop, encourage logical reasoning and independent. Our teachers are highly educated & trained according to C.B.S.E. guidelines. Regular workshops & Seminars are conducted to further enhance their teaching skills.
